The screenshot shows a web browser window titled "Informatica PowerCenter Data Analyzer - Prompted Report - Microsoft Internet Explorer provided by Defense Acquisition Universit". The address bar shows the URL: <https://bizintel.dau.mil/atlw/jsp/analyzerresults/OpenReport.jsp?id=115442&returnPage=/jsp/portal/Home.jsp>. The browser's menu bar includes File, Edit, View, Favorites, Tools, and Help. The toolbar shows icons for back, forward, home, and search, along with a "Live Search" input field. The page header features the "ATL Workforce Data Mart" logo and navigation links for "View", "Find", and "Analyze". On the right side of the header, there are links for "Log Out" and "Help". Below the header, there are buttons for "Create" and "Manage Account". A green arrow points to the "Display Report" button, which is located next to a "Cancel" button. The main content area is titled "Prompted for report: Level of Education by Component by Career Field-Prompted" and includes a message: "Please review the contents of this report below and optionally make new selections. Once you're done, click the Display Report button at right to view the report." Below this message is a section titled "Report Prompts Summary" with the text "Attribute Filters: Acquisition Career Field Description show only ('Contracting')". There is a checkbox labeled "Prompt me with these settings the next time I run the report." which is checked. Below this is a section titled "Set Attribute Filters" with a checkbox labeled "Enable progressive filtering" which is unchecked. Under "Set Attribute Filters", there is a text input field labeled "For Acquisition Career Field Description show only" containing the text "Contracting". Below the input field are three links: "Select attribute values...", "Select global variable as value...", and "Manually enter a value...". The status bar at the bottom of the browser shows "Trusted sites" and a zoom level of "100%".
